

NCO Classic Golf Tournament

CREATING CHAMPIONS IN THE OTTAWA SKI COMMUNITY

Please join us for the NCO Classic Golf Tournament on Wednesday, June 6th, a fantastic community event that brings together over 150 prominent supporters and pioneers of the local ski racing scene!

The National Capital Outaouais (NCO) development ski racing team is composed of the best regional athletes at the U16 and FIS levels. These athletes represent the National Capital/Outaouais Region at provincial and national competitions. It is among these competitors that we will find Canada's next Olympic alpine ski racers. Our team proudly counts many provincial and national team athletes among its alumni, and with your help we will carry on this tradition.

Mikaela Tommy and Dustin Cook, National team athletes and NCO alumni.

NCO Classic Golf Tournament
